HP Easy Access Wireless Keyboard and Mouse	DC170B

Introduction

The HP Easy Access Wireless Keyboard and Mouse combines a cordless keyboard, cordless optical mouse, and USB wireless receiver in a single package. This stylish set delivers the convenience, comfort, and elegance of wireless keyboard and optical mouse operation to the computer desktop. It reduces the tangle and clutter associated with wired peripherals, regains valuable workspace, and places advanced functionality and ergonomic ease of operation at your fingertips. Convenient Internet and multimedia buttons, as well as special keys that support the Microsoft® Windows® operating system and applications let you get things done quickly. With quiet, tactile membrane switch technology, the HP Easy Access Wireless Keyboard and Mouse supplies a high level of comfort and stress-free responsiveness. The mouse has a convenient scroll wheel that accelerates Web and document navigation. The wheel also functions as a third button. The keyboard and mouse do not require line-of-sight access to the receiver, so they work flawlessly even when blocked from the receiver by books and other objects.

The wireless receiver, which plugs into an available USB port, is dedicated to a particular keyboard and mouse; the ability to switch between multiple channels and user IDs allow other workers in the same office to use their HP Easy Access Wireless Keyboard and Mouse sets without interference.

Overview

Key Benefits

Keyboard

- Cordless radio frequency keyboard transmitter eliminates wires
- Proprietary key technology renders typing virtually noiseless
- Eight convenient buttons offer one-touch access to Internet and multimedia functionality
- Industry-standard QWERTY key layouts are available in 101 W, 102 W, 103 W, 104 W, and 106 W types and in 35 languages
- Encrypted digital radio transmission results in advanced security and reliability
- Batteries last up to six months; software warns when battery replacement is required

Optical Mouse

- Scroll wheel speeds Web and document navigation, functions as a third button
- Batteries last up to three months; software warns when batteries need to be replaced

Receiver

- Does not require line-of-sight access to keyboard and mouse
- Responds to a particular keyboard and mouse, allowing the use of multiple cordless systems in a single office
- Supports USB Suspend mode; provides wake-up by mouse motion, wheel scrolling, or keystroke
- Offers two channels and 256 IDs

Compatibility

The HP Easy Access Wireless Keyboard and Mouse is compatible with HP Compaq Business Desktop dc7100 series PCs.

Service and Support

Your Option Limited Warranty is a one (1) year (HP Option Limited Warranty Period) parts replacement warranty on any HP-branded or Compaq-branded options (HP Options). If your HP Option is installed in an HP Hardware Product, HP may provide warranty service either for the HP Option Limited Warranty Period or the remaining Limited Warranty Period of the HP Hardware Product in which the HP Option is being installed, whichever period is the longer but not to exceed three (3) years from the date you purchased the HP Option.
